Join the fun and enjoy an evening with

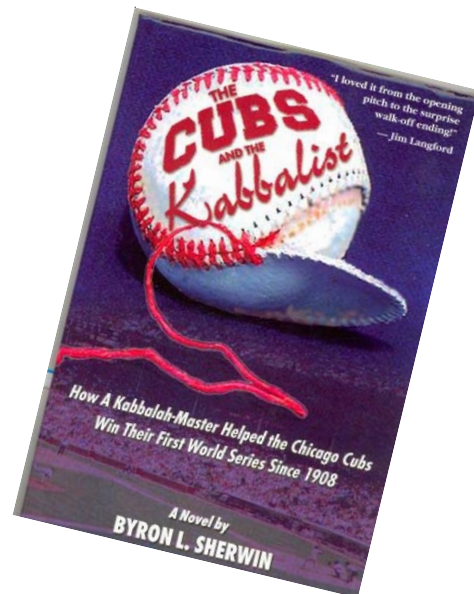

**DR. BYRON SHERWIN**

author of

## *The Cubs and the Kabbalist*

*How a Kabbalah-Master Helped the Chicago Cubs*

The Cubs have not won a World Series in a century - since 1908. Why? Could a kabbalist help them, and if so, how? What is the "curse" that needs to be overcome to allow for victory? See how, in the pages of fiction, the Cubs reign triumphant in the World Series. Read Dr. Sherwin's novel before summer's end, or just come to share the evening with the crowd.
